I am an Ambassador!
And now what?

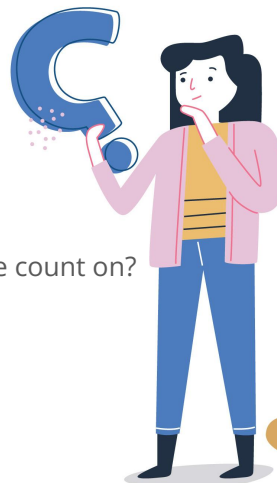

Women Techmakers

SUMMIT LATAM
2020

Cultivate
the future

What can we and cannot do?

Who can we count on?

What to do, where to turn?

Which is the first step?

6 Steps...

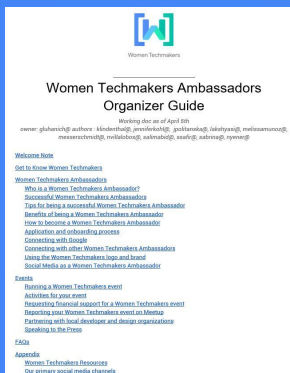

SUMMIT LATAM
2020

Cultivate
the future

Step One: Review the WTM Ambassador Organizer Guide

In the branding he explains
what the community is about ...

Women Techmakers

SUMMIT LATAM 2020

Cultivate
the future

Step Two: Consult your Regional Coordinator

Our coordinator is from the
interview phase...

Cultivate
the future

Step Three: Connect with other ambassadors

In the community there are Ambassadors who have already had various experiences...

Step Four: Let's go for our first event!

	CAMPAIGN	INDEPENDIENTE
TOPIC	By WTM Global	By our community
SPEAKER	GDE, GDG Organizers, Ambassadors, Googlers, independent speakers.	
BRANDING	Women Techmaker Global will send the event branding	You must follow the community guidelines established in the ambassador guide or the event technology guidelines
PLACE	Universities, institutes, laboratories and other places.	
DATE/TIME	You will have an established period to organize your event	You can set the date with your community
SWAG	By other communities, developers, speakers. These should always follow the design guidelines.	
BRANDING	Created by WTM Global	Created by the community
SPONSOR	WTM Glogal sometimes may offer some	The community can get companies to support the event without breaking the rules of the community. Define a sponsor plan if you want to have the support of external entities
ATTENDEES	Create a form to register attendees if necessary Create a record of event attendees	

Step Five: Feedback

After carrying out activities it is
always good to ask yourself
What can I improve?

Women Techmakers

the future

Step Six: Make community!

As an Ambassador you will have many anecdotes from which you will learn and enjoy, you can share those experiences with other ambassadors.

Recommendations

- Define the objectives that your community wants to achieve in the year.
- Diversity in the speakers.
- Find representatives of the local community.
- Promote the use of google technologies, present women speakers and facilitators.
- Share the event with other communities.
- Promote a safe environment.
- Have diversity and inclusion events.
